

Contents

1. Introduction	
■ What is documentation?.....	2
■ Why documentation matters.....	3
■ The importance of standards.....	4
■ A basic documentation system.....	6
■ Choosing software for documentation.....	8
2. Object entry	
■ What is Object entry?.....	12
■ Why do it?.....	12
■ When is it done?.....	12
■ What policy decisions are needed?.....	12
■ How do we do it?.....	12
■ What information should be recorded?.....	13
■ What happens to the completed form?.....	13
■ Protecting your entry records.....	13
3. Acquisition	
■ What is accessioning?.....	18
■ Why do it?.....	18
■ When is it done?.....	18
■ What policy decisions are needed?.....	18
■ How do we do it?.....	18
■ What information should be recorded?.....	18
■ What happens to the completed records?.....	19
■ Protecting your accession records.....	19
■ Accession numbering.....	20
■ Labelling and marking.....	21
4. Borrowing and lending	
■ Why do it?.....	28
■ When is it done?.....	28
■ What policy decisions are needed?.....	28
■ How is it done?.....	28
■ Who does it?.....	28
■ What information should be recorded?.....	28
■ Long-term loans.....	29
■ Protecting your loans records.....	29

5. Cataloguing

■ What is cataloguing?.....	34
■ Why do it?.....	34
■ When is it done?.....	34
■ What policy decisions are needed?	34
■ How do we do it?.....	34
■ Who does it?.....	35
■ What information should be recorded?	35
■ Protecting your catalogue records	35
■ Object history files	35

6. Location and movement control

■ What is location and movement control?.....	38
■ Why do it?.....	38
■ When is it done?.....	38
■ What policy decisions are needed?	38
■ How is it done?.....	38
■ Who does it?.....	38
■ What information should be recorded?	38
■ What happens to the completed tickets?.....	39
■ Updating the catalogue record.....	39
■ Identifying and describing locations.....	40
■ Protecting your location records	40

7. Object exit

■ What is Object exit?	42
■ Why do it?.....	42
■ When is it done?.....	42
■ What policy decisions are needed?	42
■ How do we do it?.....	42
■ Who does it?.....	42
■ What information should be recorded?	42
■ What happens to the completed forms?	43
■ Protecting your exit records.....	43
